

Rehash of Run 4. 24 Dec. '82. Yishun Ave. 2.

Hares: Pat & Pedro.

O.K., so the directions to run site could have been better but we all got there didn't we. Just after 6.00pm, thirty several members and their guests ambled along economically laid paper through fish farms, (up to ones whatsits in croc infested ponds), rubber, papaya, bananas, builders waste, backyards, latrines and barbed wire. Checks according to the new economy drive are designated by 2 pieces of paper. Those that stayed on paper had an interesting run which kept them together until the run in. Boo kept appearing from different directions, often at the same time. (Perhaps that was the effect of lunch-time.)

The on on at Tom's house attracted 28 hungry dan thirsty soles who demolished the BHC Lim trad. Xmas fare, the cheap beer and Ramsey donated wine with typical lack of ceremony. Lively carol singing was followed by livelier dancing well into Xmas day.

Good run (Turdable time), smashing on on, etc., and a great atmosphere.

Many thanks to Pat, Pedro, Tom, Steve and Judy, and to Paul for the write-up. (Didn't have much choice!)
